WE ARE LEGEND

3x52'

when iconic heroes meet timeless myths

WE ARE LEGEND

SHERLOCK HOLMES against CONAN DOYLE (Pilot film)

Author: Michel le Bris - **Director:** Emmanuelle Nobécourt

Production: Gedeon Programmes/ France 5/ RTS/ CuriosityStream/ Histoire

Created in 1887 by Conan Doyle, a writer with high literary ambitions, Sherlock Holmes almost immediately overshadowed his author. Riding on the public's enthusiasm, Holmes turned out to be fertile ground for inspiration, and continues to be so today. Find out the true story behind the myth and revisit a fascinating icon of our times.

"... the pilot delights with its abundance of knowledge and rich, generous direction, and leaves us hungry for more episodes in this collection that is underway." (Télérama)

WE ARE LEGEND

TARZAN, THE CALL OF THE JUNGLE

Author: Michel le Bris - **Director:** Priscilla Pizzato

Production: Gedeon Programmes/ France 5/ Ciné +

A call from the heart of the jungle, the inevitable vines, the knife, the animal skin loincloth... With his indispensable assets, Tarzan travelled around the world... He's been adapted in countless books, comic books, films, songs, avatars... He's also been censured, dressed again, made into merchandise, mocked.

Unique, immemorial and ever changing, Tarzan is one of the 20th century's great myths. As if he was a mirror for each era to view and question the every moving frontier between nature and culture, the savage and the civilized, man and animal.

And while myths may be eternal, they nonetheless have a history.

DRACULA NEVER DIES

Author: Michel le Bris - **Director:** Emmanuelle Nobécourt

Production: Gedeon Programmes/ France 5/ Ciné +

Vampires have always fascinated us. These universal, timeless creatures are both attract and repulse, arousing our greatest fears as well as our shameful desires. They appear in over 200 movies, a dozen TV series, countless video games, comic books, musicals and novels. Vampires have never gone out of style and today are experiencing a real comeback. It all began at the turn of the 20th century with Bram Stoker's gothic masterpiece "Dracula" which introduced us to the iconic vampire we all know. Join us to rediscover the thrilling story of the Prince of Darkness and his many incarnations.

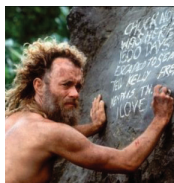

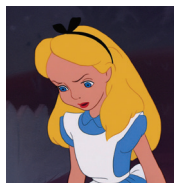

WE ARE LEGEND

Sherlock Holmes, Dracula, Tarzan & Jane... all these characters sprang from the minds of writers yet quickly escaped the pages of their books to embark on a life of their own. They captured the Zeitgeist – the spirit of their era – to become universal legends. They have fed our imaginations for generations and today are being re-interpreted and adapted in comics, TV series, movies and even musical dramas. What is it about these iconic figures that speaks to us, and what is the secret to their timeless success?

Other possible characters:

King Arthur, Robinson Crusoe, Frankenstein, Jim Hawkins & Long John Silver, Don Quichotte, Alice, Don Juan...
