## JAVIER BARDEM'S METAMORPHOSIS 52'

Javier Bardem is a chameleon-like actor, a man of a thousand faces, who has made bold artistic choices. The film takes a look into Bardem's "metamorphosis", to reveal the actor's creative process. Mixing film and making-of extracts with interviews of personalities who worked with this artist, this film is a revealing portrait of this multi-awarded movie artist.

Languages available : English & French.

## SAGRADA FAMILIA, GAUDI'S CHALLENGE 52'

The famous Basilica of Barcelona has been completed and this architectural jewel has fascinated architects for 140 years. The construction site has been relaunched over the last fifteen years, notably around the erection of ten additional spires that dominate the building. This work allows us to dive back into the creative process of Gaudi by restoring his sources of inspiration and his obsessions, through fiction and thanks to 3D technologies. If the work is to be completed in 2026, the date of Gaudi's centenary, many obstacles remain to be overcome.

Languages available : English (52') & French (90').

## PICASSO, THE LEGACY 52' & 110'

A historical and cultural saga across the 20th century enabling viewers to finally decipher the enigma that was Picasso. 40 years after he died, this film explores one of the longest and most complicated legal processes in the world of modern art. Thanks to unprecedented access to family archives and exclusive interviews with close friends and family members, the film tells a comprehensive story of the Picasso family. The painter's life and work are revealed through works discovered after his death, when his estate was settled.

Languages available : English & French & Italian (110')

## FINISH YOUR PLATE! 6x52'

Finish your plate revisits in a fresh fun way our eating habits, table manners and the history of food.

Food culture is an endless subject of fascination which tells us about our history and social behavior and the global world we live in. Mix these three ingredients and travel the world to learn fascinating and little-known facts.

Languages available : French & English (2 episodes : Eating Together / Melting Pot) - EUROPE RIGHTS ONLY

## JIM CARREY, AMERICA UNMASKED 52'

Contortionist face and actor of a digital revolution from which the last golden age of the cartoon resurfaces, he was the pulling face of the Clinton years, the link between Charlie Chaplin and Roger Rabbit, the last explosion of dumb laugh before the 9/11 depression and the takeover of the Disney-Marvel franchises on the Hollywood imagination. The film is a vibrant appeal about an era that was only the outrageous premonition of today's world.

Languages available : English & French.

## CHU TEH-CHUN 52' & 80'

Born In China in 1920, Chu The Chun's life and work spans the 20th Century taking us across two continents, in a perfect blend of various styles and techniques leading us from formal symbolism to lyrical abstraction. 7 years after he passed away the family heirs open their personal archives. This film revisits for the first time the life and work of this unique artist celebrated as one of the most talented and prolific painters of his time.

Languages available : English & French.

## UNITED NATIONS OF DANCE 10x52'

The series takes us on a journey into the traditional dances of the world, combining history and culture with striking images and moving testimonies. Discover the history and traditions behind each dance through the captivating personal stories of the dancers and the people who perpetuate each culture over the centuries.

Languages available : English.

## IMMERSIVE WORLD 10x26'

The explosion of Immersive Theater can be seen by the success of plays such as Sleep No More and The Great Comet (on Broadway), as well as the involvement of prestigious organizations and museums in projects that involve the genre. This serie provides a complete overview of the new ways storytelling has been evolving. Those who go to an immersive show or exhibition no longer want to be a "passive audience", choosing rather to become part of the story - in a universe where reality and fiction often mix.

Languages available : English.

## KIRK DOUGLAS, THE UNTAMEABLE 52'

It is a difficult task to tell the story of such a legend, one of the last living stars of the Golden Age of Hollywood. There were so many films, so many events... To make a film about, and with, Kirk Douglas is to travel through the 20th century and, in doing so, revisit practically the entire history of Hollywood. That is a testament to the scope of this life, and the scale of the myth.

Languages available : English & French.

## PLANET CHEFS 12x52'

Meet with a new generation of talented chefs who embody the new faces of French and International Cuisine. Originating from Brazil, Argentina, Japan, South Africa, Lebanon, Sweden, Colombia or even Mexico, they all trained and learnt the art of cooking in France, before starting their own restaurants in the country of French cuisine.

Episodes season 2 : Tunisia, Cameroon, Mexico, Greece

## MADAME TUSSAUD, A LEGEND IN WAX 52'

Who knows the story behind the wax museums known as Tussauds museums all over the world ? This film is the epic tale of the rise of Marie Tussaud. A female artist who was part of the royal court in Versailles and survived the French Revolution before setting off to England where she became a remarkable business woman during the early industrial age, and established herself as one of the pioneers in the entertainment industry!

Languages available : English, French & German

## THE LEGEND OF THE PALME D'OR 60'

From Martin Scorsese to Jane Campion, from Emir Kusturica to Steven Soderbergh, some of the greatest winners of this award bring back to life for us the special moments surrounding the awarding ceremony of the Palme d'Or. This documentary also retraces the different stages of the manufacturing process of this mythical trophy, from the fair trade gold mines of Colombia up to the red carpet of the Palace of the Cannes Film Festival.

Languages available : English & French.

## CANNES 1939 52'

The first Cannes Film Festival didn't take place, but it did exist, in 1939. An event that we wanted to forget. This documentary blends politics, history and cinema, relating a very special moment in our collective memory : the triggering of the Second World War.

Languages available : English & French.

## RESSACA 90'

Between 2009, the year Brazil hosted the Olympic Games, and 2017, almost a decade has passed during which the fate of a country has shifted. Metaphor of a town about to flounder, the Opera of Rio, icon of the marvelous city, is threatened with closure. By resisting, they have become everyday heroes. To question and survive. The theatre is still a haven of beauty and grace surrounded by the violent confusion that reigns in the city. But for how much longer? .

Languages available : English & French & Portuguese

## FRANÇOISE HARDY 90'

An intimate portrait of a muse of the sixties, Françoise Hardy. A model and a singer, she put the heads of the greatest artists of the time in a spin. In 1996, Françoise Hardy is not only an icon of the yé-yé wave, but also a model in vogue. In 2004 Françoise Hardy, whose album *Tant de belles choses* came out in November of the same year, tells of her life, her career, of Jacques Dutronc, and of her son Thomas, in this intimate portrait.

Languages available : French.

As their country is devastated by mass crimes and drug trafficking they are ready to take all risks to stop the reign of Impunity. They are on a mission: denounce endemic corruption and bring the highest national authorities and senior officials to the International criminal court in La Haye (Netherlands). A quest for justice and an insider's view into the role and functioning of this judicial authority, in charge of prosecuting war crimes and crimes against humanity.

Languages available : English, Spanish subtitles & French

## POLICE PATROL 10x52'

Far from our TV Screens, discover the real life of 20 different police squads in the world's most dangerous spots. Their daily duties in the Hot Districts reflect the harsh realities of the societies they live in. How do they contribute to crime prevention and manage to save lives in these neighbourhoods where lawlessness and traffics all of kinds prosper? And how do they enforce law and security in these challenging areas?

Destinations: Thailand, Mexico, Peru, Afghanistan, Brazil, South Africa, France, UK, Palestine, India, Equator, Israel, Spain, Haïti, Argentina, Madagascar, Reunion.

Languages available : English, Spanish & French
