# BRAZIL COASTLINES

**8000 km along  
the Atlantic Coasts**

As south America's largest country and ranked 5th largest in the world, Brazil has become a major tourist destination in the last years and is under the spotlight ahead of the 2014 Summer Football cup and 2016 Olympics.

Its 8000 km long Atlantic coastlines comprises some of the most spectacular landscapes in the world and offers a contrasted portrait of this country.

Beyond the clichés this series takes you deep into the country along seventeen coastal states to explore the natural beauty and richness of this legendary land and meets with its strong minded and warmhearted inhabitants. A breathtaking journey blending the best aerial shots with stunning photography to reveal the country's geography, cultural diversity and Heritage.
