

FROM ONE SKY TO ANOTHER

4x52'

Let's follow the first female paraplegic pilot on a trip around the world. This beautiful woman is a hero of modern times. After a plane crash, she was not able to walk anymore.

So she decided she will fly. Her willingness and enthusiasm will guide us in the most remote areas of the world, to discover the history of countries through their skies.

The episodes will take us to England, to Alaska with the Bush pilots and to other amazing destinations.
