

# **VICTIMS, THEIR LIVES TURNED UPSIDE DOWN**

**40x52'**

'Victims : lives turned upside down' is an exploration of crime stories filmed on location, in the presence of the main protagonists of each incident (victims but also loved ones, investigators, psychologists, experts...). It is illustrated by these protagonists, as well as through reconstructions and archive images.

A few examples of episodes: Victims...  
...of terrorism ...of domestic violence  
...of cults ...of natural disaster ...of  
radicalisation ...of double lives
