

BACCARAT THE CRYSTAL LEGEND

52'

HD

This film retraces 250 years of French art de vivre from Royal Courts to today's finest Crystal works found in the most prestigious settings commissioned by leading figures and celebrities. The saga started in Lorraine a region known for its tradition in glassmaking where the manufacture shaped its unrivaled know-how and created its iconic pieces. Today, to shape its brand into the XXIst century with intact splendor and craft, the world's most celebrated crystal maker has developed fruitful collaboration with international designers, such as Philippe Starck.
